

Gobustan

Gobustan Museum

The tour will start off from Gobustan Museum where you will see ancient human bones, work tools used in back to thousand years ago during the Mesolithic period. Gobustan geographical region is situated in the west-south of Baku. The meaning of the word «Gobustan» is derived from two words «gobu» – «ravine» and «stan»- «place», i.e. ravine area. The word «gobu» is also of Turkic origin and means «a dried up river valley». After visiting Gobustan museum, you will advance to the mountain in order to see real rock paintings in the open air museum.

Gobustan National Park

Explore Gobustan museum, ancient petroglyphs and mud volcanoes in 4-hour tour with a local guide. Gobustan National Park is one of Azerbaijan’s most popular sights attracting thousands of tourists annually. You will spend overall 4 hours in order to enjoy this trip. During the tour you will be guided by local and friendly guide about the park, which is included into the UNESCO World Heritage Sites list. You will learn about the history of petroglyphs found in this area and also get useful information to make your stay in Baku much more interesting and full of memorable activities.

Mud Volcanos

Later on, the tour will proceed to the Mud Volcano which is 20 mins away from Gobustan National Museum. Azerbaijan keeps the first place in the world for the number of mud volcanoes. About 300 mud volcanoes are to be found in Azerbaijan – at the shore, in the sea and on islands. During this trip you will get a great chance to see these amazing active volcanoes from very close distance.
