DAY 4: Tbilisi city tour

Breakfast at the Hotel.

Walking tour in the old part of Tbilisi. Our tour will start at Rike Park. Firstly, we'll enjoy the fantastic panorama of the Old City on the opposite bank of the river, and walk a bit around the park. From the park we'll take the cable car up to the Narikala Fortress - the main citadel of Tbilisi for many centuries.

Then we will go down along the narrow, cute streets, with lovely green yards, and unique Tbilisi buildings, framed with grapevines and circled with lacy balconies. Further we'll pass by the mosque- the only one in Tbilisi.

The beautiful walls of the mosque are on the bank of the small river, which runs sparkling and bubbling from the top of the hills straight to the Kura River. The river takes its way through the picturesque gorge. We will go up, along the gorge, and this path will bring us to the lovely waterfall, which is situated straight in the middle of the city.

The following stop in our walking tour - Abanotubani (literally "the baths area"). It is a well-known spacious sulfur baths resort. In previous centuries this was not just a SPA center, but a place where friends and relatives met, spent a couple of relaxing hours, and enjoyed the company of each other.

Along the road we will see lovely and cozy open cafes and small restaurants, which are famous for the Caucasian hospitality, incredibly tasty cuisine and wines.

We will go across the well-known "Bridge of Peace ", which spans the Mtkvari River. It is remarkable for its futuristic design.

Afterwards we'll visit the famous Sioni Cathedral (built in the 17th century). Earlier it served as the main Cathedral and at the same time was the residence of the Patriarch of Georgia, until the construction of Holy Trinity Church was finished in 2004.

We will see the oldest of the remained temples in Tbilisi — Anchiskhati (6th century BC)
